2024 PRODUCT CATALOG

In a particularly stormy fall of 1970, our owner embarked on a journey to make the best gun cases your hard-earned money could buy. Today, ALLEN Company still operating under the same family ownership, has expanded from gun cases into other outdoor product categories like; Shooting Essentials, Tactical Gear, Hunting and Archery Accessories. A lot has changed over the years, but what hasn't changed is the pride of being a Colorado company dedicated to preserving product value and promoting the Heritage of these Outdoor Activities our customers so passionately enjoy.

We thank you for your role in this American Pioneering Story. ALLEN Company – family owned since 1970

1970

THE BEGINNING

ALLEN Company was founded in April of this year and began immediately making first gun case production in a shared warehouse serving as the original headquarters.

1978

DETERMINATION

Due to increasing customer demand, headquarters of the company were moved from the original location to a new building 20,000 sq. ft. in size. In order to meet growing demand the owner sometimes slept on a fabric cutting table—just to make sure orders were manufactured and shipped on time to customers.

1986

NEW CATEGORIES

Due to demand, it was time to move again. As a result, the company made a long-standing move to 525 Burbank St. into a new building that was 90,000 sq. ft. in size. This building served as the corporate headquarters for the single longest period of time and saw the proliferation into many categories like; shooting accessories, tactical gear, eye/ ear protection and rifle slings.

2013

GROWTH

In parallel with the overall market surge, this year marked a record for the highest unit production of cases that the company had ever produced in the domestic USA manufacturing operation. This record was achieved by the accumulation of total long gun, handgun, tactical, bow case, gun socks/gun sleeves and OEM-based business.

2020

50TH ANNIVERSARY

ALLEN Company celebrates their 50th anniversary of being in business and opens a new state of the art manufacturing facility and headquarters in Louisville, CO. This venture cements the company's future leading the outdoor industry with products that blend hard-earned value with visionary product design.

2022

ACQUISITION

ALLEN Company announces the acquisition of Breakthrough Clean Technologies®, an innovative manufacturer of firearm and outdoor gear cleaning products.

2024: WE ARE EXCITED TO INTRODUCE

BREAKTHROUGH[®]

CLEAN TECHNOLOGIES

We at Breakthrough Clean Technologies[®] are committed to making your equipment maintenance faster and safer than ever. Our cleaners efficiently remove fouling, dirt, grease and grime, and our lubricants provide long-lasting corrosion protection in any environment. Our user-safe products are odorless, non-toxic, non-hazardous and non-staining, so they're safe for you and your equipment. From our cleaning tools to our cleaners and lubricants, we strive every day to bring you the safest and most effective ways to clean and protect your equipment.

THE DIFFERENCE IS CLEAR[®]

CLEANERS

Metal surfaces that have heavy fouling can lead to reduced accuracy, rust and corrosion.

Unlike other solvents, Breakthrough[®] penetrates deep into the pores of the metal to lift contaminants and break down carbon deposits.

LUBRICANTS

Traditional gun oils don't fully penetrate porous surfaces, causing the metal to dry out faster and increase frequency of needed lubricant applications.

Our Battle Born lubricants are engineered, to be fully absorbed into the pores for an even conditioning, reducing the frequency of needed applications.

CHOOSE THE RIGHT PRODUCT FOR THE RIGHT JOB

PRODUCT	RECOMMENDED USE	PAGE
Military-Grade Solvent <i>Degreaser and Carbon Eliminator</i>	To clean the firing mechanism and bore of the firearm as well as prep the metal surface for lubrication	61
Suppressor Cleaner <i>Fouling and Carbon Eliminator</i>	Effectively cleans all suppressors of heavy fouling and carbon build up. Also works on muzzle devices	61
Carbon Pro <i>Heavy Carbon Remover and Bore Cleaner</i>	To clean the firing mechanism and bore of the firearm as well as prep the metal surface for lubrication	62
Copper Remover <i>Copper Fouling Eliminator</i>	Clean copper fouling after carbon removal in barrel and muzzle device	62
All-In-One <i>CLP: Cleaner, Lubricant and Protectant</i>	Cleaning, lubricating and protecting all parts of the firearm	62
Battle Born™ High-Purity Oil <i>Lubricant and Protectant - Light Oil</i>	Action and bore lubricant and conditioner for all firearms	63
Battle Born™ HP PRO Oil <i>Lubricant and Protectant - Medium/Heavy Oil</i>	Lubricating AR platforms, rapid fire/full auto firearms, pistols and revolvers	63
Battle Born™ Grease with PTFE and Dry Lube with PTFE <i>Lubricant and Protectant - Grease/Aerosol</i>	Lubricating lugs on hunting rifles, trigger groups, barrel nuts, choke tube, contact points on striker-fired pistols, and slide rails	63
Battle Born™ HP100 Knife Oil with SMT <i>Lubricant and Protectant - Heavy Oil</i>	Lubricating folding knives	63
Multi-Purpose Quick Wipes <i>CLP: Cleaner, Lubricant and Protectant</i>	Cleaning, lubricating and protecting all parts of your equipment	64
Lens Cleaner/Lens Wipes <i>Provides a Streak-free Clean</i>	Cleans masks, glass, lenses and optics	64
Anti-Fog Gel <i>Prevents Fogging</i>	Prevents fogging on masks, glass, lenses and optics	64
